Respondents.)	

MEMORANDUM OPINION

Petitioner Tyrone Anderson seeks a writ of habeas corpus. In his Petition he alleges six grounds for relief. I referred this matter to United States Magistrate Judge Thomas C. Mummert, III for a report and recommendation on all dispositive matters pursuant to 28 U.S.C. § 636(b). On August 5, 2005, Judge Mummert filed his recommendation that Anderson's habeas petition should be denied.

Anderson timely filed objections to the Report and Recommendation and objects to the recommendation that habeas relief be denied. I have conducted a de novo review of all matters relevant to the petition. I find that Judge Mummert correctly analyzed Anderson's grounds for relief and correctly applied the law in reaching his recommendation. After careful consideration, I will adopt and sustain the thorough reasoning of Judge Mummert and will deny Anderson's habeas petition.

I have also considered whether to issue a certificate of appealability. To grant a certificate of appealability, the Court must find a substantial showing of the denial of a federal constitutional right. *See Tiedeman v. Benson*, 122 F.3d 518, 522 (8th Cir. 1997). A substantial showing is a showing that issues are debatable among reasonable jurists, a court could resolve the issues differently, or the issues deserve further proceedings. *Cox v. Norris*, 133 F.3d 565, 569 (8th Cir.

1997) (citing Flieger v. Delo, 16 F.3d 878, 882-83 (8th Cir. 1994).

I believe that Anderson has not made such a showing on the grounds raised in his petition. Therefore, I will not issue a certificate of appealability.

Accordingly,

IT IS HEREBY ORDERED that Petitioner Tyrone Anderson's Petition for Writ of Habeas Corpus is **DENIED**.

IT IS FURTHER ORDERED that the Court will not issue a certificate of appealability.

A separate judgment in accordance with this Memorandum and Order is entered this same date.

RODNEY W. SIPPEL
UNITED STATES DISTRICT JUDGE

Dated this 22nd day of September, 2005.
